

# Looking for valuable academic peer-reviewed resources?

You will find everything you need in EBSCOhost®!

Visit [search.ebscohost.com](https://search.ebscohost.com), and log in using your institutional credentials. Don't know your credentials? Ask your librarian!

## Simple Search Experience

Start searching by typing the keyword using the basic search screen.

Searching: **Academic Search Complete** | [Choose Databases](#)

Enter any words to find books, journals and more

Search

[Search Options](#) ▶ [Basic Search](#) [Advanced Search](#) [Search History](#)

Researching more complex topics?  
Use the advanced search screen.

# Features and Functionalities At-A-Glance

## Smart Results Page

- 1 Use the full text limiter to display results that are available in full text
- 2 Narrow your results to peer-reviewed journals in order to see the most valuable articles
- 3 Quickly set the publication date range that is most appropriate for your search
- 4 Pick the source type that you want to focus on
- 5 Choose the full text link to read the full article
- 6 Add a record to your folder to save for later
- 7 Create a personal account to store your favorite articles, create a search alert, or save a link to the search results

## Looking for more features?

- 1 Read the article online or download it to use any time, and anywhere
- 2 Save the full-text article to the cloud or your Google Drive account
- 3 Send the article by email to any address you want
- 4 Display ready-to-use citations in your desired format
- 5 Export the bibliographic data to an Excel file or your reference management software
