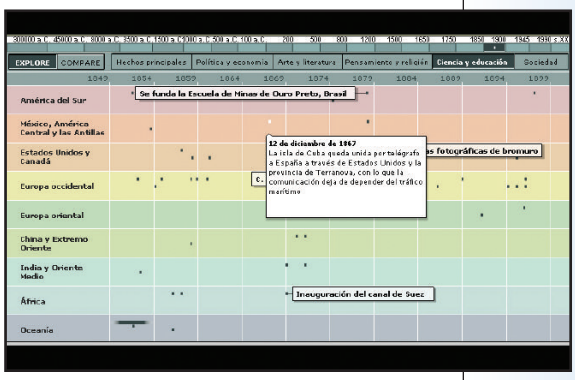
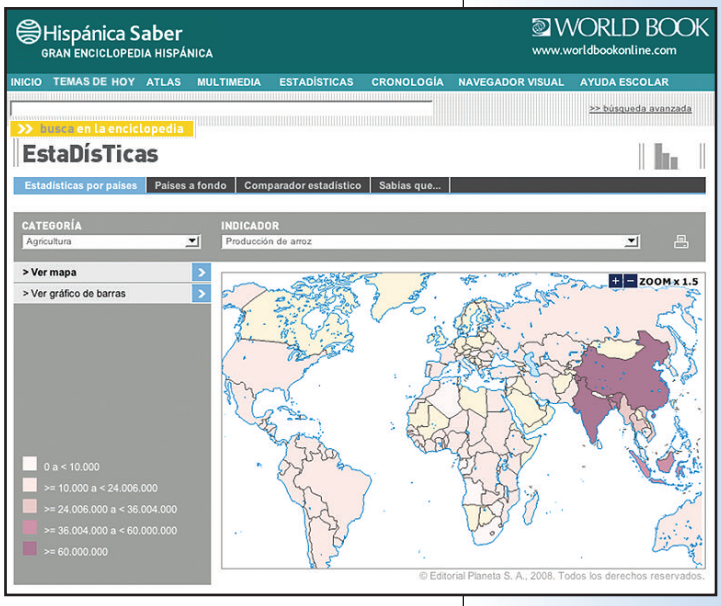
Hispánica Saber
Gran Enciclopedia Hispánica

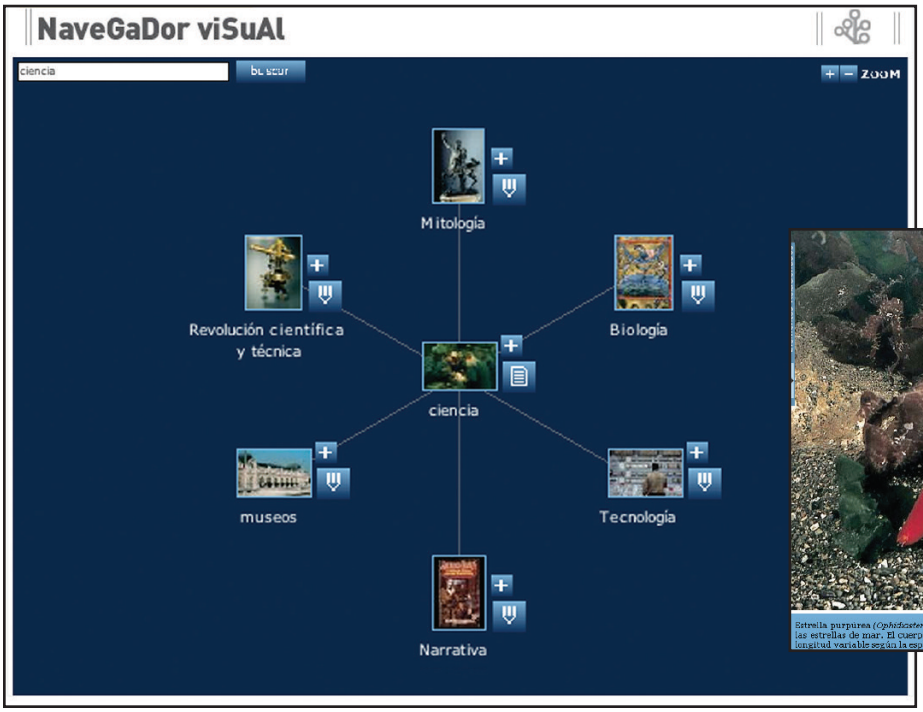
World Book has partnered with one of the world's largest and most respected Spanish-language publishers to offer the *Gran Enciclopedia Hispánica* online, a comprehensive Spanish-language encyclopedia that includes over 100,000 articles, more than 8,500 images and maps, and nearly 1,000 videos, animations, sounds, and interactive media. It is designed for native Spanish speakers, bilingual students, and ESL/ELL program participants.

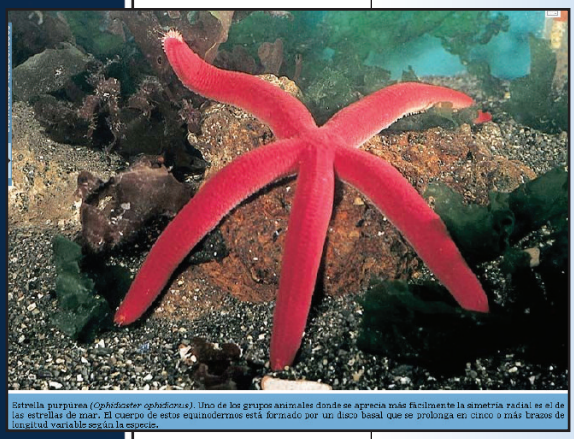
Highlights and key features

- Broad coverage of all fields of knowledge. Written from a Latin American perspective, with special emphasis on the areas of science, technology, history, and art
- Interactive world atlas with up-to-date information on all countries of the world for a true global perspective
- More than 9,000 illustrations, videos, animations, and sounds contribute to comprehension.
- Comprehensive dictionary helps clarify meaning and expand students' vocabularies; a glossary in major articles increases understanding
- Thousands of links to editor-reviewed Web sites provide additional sources of quality information
- Content updated monthly ensures accuracy and currency





Gran Enciclopedia Hispánica offers an extensive library of educational resources including:




- Homework help areas for different grade levels that offer a collection ofinteractive learning activities
- Series of guides to the study of relevant contemporary topics such as biodiversity, addiction, human rights, and the Arab-Israeli conflict
- Timeline feature that helps students develop a historical perspective through interactive research
- A vast statistics section that allows students to compare and contrast statistics on a variety of topics
- A visual navigation system designed for visual learners who prefer to browse by words and images
- Thousands of informational and engaging images, video, andmultimedia that bring language to life
