TRUSTED, AWARD-WINNING ELEARNING RESOURCES

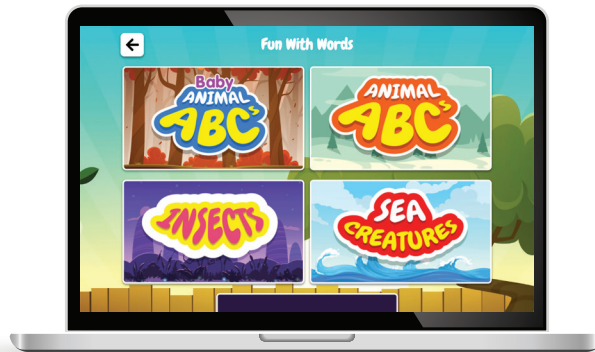

Easily digestible articles and reading levels tailored for PreK-12

Single Sign-On (SSO) provides a seamless experience across all devices

Expertly written, continually updated content you can trust

EARLY LEARNING

AGES 3-7

Developed with experts in early childhood education, this re-designed database offers rich resources to help young learners build their vocabulary, comprehension, phonics, and reading fluency.

KIDS

AGES 6-10

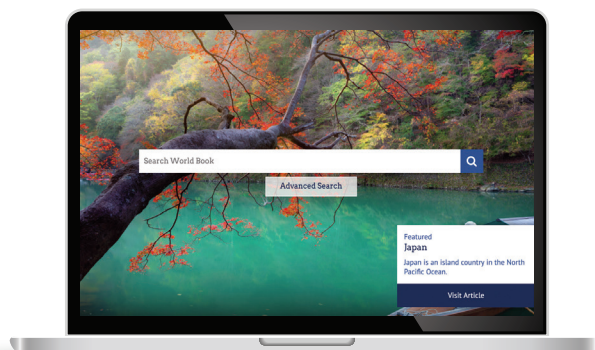

This go-to resource is chock-full of fun activities, hands-on science projects, and age-appropriate articles, and offers image-based navigation to help young learners find information quickly and develop necessary digital literacy skills.

STUDENT

AGES 10-14

Tailored specifically for students, articles include multimedia and related resources to engage students, biographies, and supplemental tools to support cross-curricular studies.

ADVANCED

AGES 14 and Up

A wealth of vetted articles supplemented by thousands of original source documents fosters advanced research and critical thinking skills and prepares students for continued growth!

Quick tips to navigate World Book Online:

Color with Early Learning

- Select the Activities button on the homepage or within the header on any other page
- Choose the red paintbrush icon to get to the Coloring category
- Select an activity to open it up in the paint application, and color away!
- Save/print the colored activity by choosing the camera icon to download the PDF

Save an Article in Kids to Reference Later

- Go to any Kids article and select the tools icon in the top right corner
- Select "save" and then choose to download or save it to Google Drive or OneDrive

Citation Builder in Student or Advanced

- Select Citation Builder from the homepage
- Select the type of citation you want to build (e.g., book, article, video, etc.)
- Complete the requested fields as best you can, then choose Create Citation
- Download, email, or print the citation that is created in MLA, APA, and Harvard for your use

My Research in Student or Advanced

- Log in or create a My World Book Account to access My Research
- Once you have logged in, users can save any World Book article or media to a My Research project.
 - > Select Tools
 - > Choose Save, then use the drop-down menu to save to an existing My Research Project or save to a new project
- Add websites to your list of resources to keep all of your reference materials in one place
- You can delete or annotate any entries you include under a project
- You can toggle between projects by selecting Switch Projects
- Rename, delete, or create projects using the icons across the top

Pathfinders in Advanced

- Navigate to the project you would like to share and choose "Create Pathfinder"
- Select if you would like the Pathfinder to be shared and optionally sign your Pathfinder with your name and grade level
